

BOOGIE BEATZ feat. Will Hatch

Darwin has long-been a place known for it's laid back, fun & care free nature for which people love. With that reflects the party, live life to the fullest kind of vibe that local DJ Duo "Boogie Beatz" bring to its shows. They are known for their groovy beats covering genres form funk to breaks & party house bangers that get dance-floors bouncing all night long. With regular appearances doing Darwins biggest Sunday Sessions & Supporting international acts Fort Knox Five, Slynk, Kid Kinobe as well as playing the 2018 Litchfield Beats Festival, they have upped the ante by adding local legend Will Hatch on percussion.
