

## GRIND

Grind are an energetic duo consisting of acoustic guitar and drums.

Dan & Joel were formed after they found themselves playing on stage together at The Fox during one of the open mic / jam nights in early 2013.

The likeminded pair joined forces with a view to putting together a well-rounded set list from some of the greatest artists from around the globe without forgetting the classic Aussie artists that inspired them to play way back in the beginning.

Past performances for Dan & Joel include The Deck Bar, The Fox, Palmerston Tavern, The Arch Rival Bar, Humpty Doo Tavern, The Beachfront Hotel, Wisdom Bar, Dundee Beach Lodge as well as private functions and weddings.

GRIND will entertain at pubs, clubs, weddings, parties, functions and events and are available as a solo act, duo or a three piece band.

With a healthy combination of old, new, hard and soft rock along with middle of the road, GRIND are sure to please any crowd and all ages.

All band gear and PA provided.
