

# THE GROOVE FACTOR

**THE GROOVE FACTOR** is a six-piece band bringing feel-good covers from some of the coolest artists on the planet. From the groove of Boz Scaggs, Steely Dan, Doobie Brothers, The Eagles and Paul Simon to the funk of Chaka Khan, Earth Wind & Fire and Stevie Wonder and rounding it off with the awesome feel of artists like Robben Ford, Renee Geyer and even a splash of LRB.

**THE GROOVE FACTOR** brings together seasoned Darwin musicians: Annemarie Lloyd, lead vocals; Linda Masters, vocals, percussion and acoustic guitar; Darryl Minerds, lead guitar; Lindsay Masters, bass and vocals; Andrew Hyde, drums and vocals; and Geoff Gifford, keyboard.

Best described as a jazz-blues-rock fusion, the style of music highlights the talents of this group of musicians who, between them, have decades of experience across most styles of music.

**THE GROOVE FACTOR** came about almost accidentally as a result of one very good party that involved good wine, guitars, laughs and a lightning-bulb moment where six people realised they share the same passion to produce a band that played 'not your average rock 'n roll', but some really cool, not so simple, feel-good stuff.
